Sharon,

In slight chance that your schedule frees up on Thursday morning, I've included the roundtable info below. I'm glad we have Nelli Williams with TU joining the discussion, as well as Nanci Morris-Lyon who is part of the Bristol Bay delegation that Shoren has set up.

Best regards,

In celebration of Women's History Month, EPA's Office of Public Engagement is hosting a roundtable with women leaders in the outdoors. The purpose of this forum is to exchange points of view and discuss what environmental issues are important to woman leaders in the outdoors. EPA senior management will provide a brief, high-level discussion of policy decisions that impact outdoor

sporting and recreation and the participants will engage in a following question and answer session. As a follow-up to this briefing, the Office of Public Engagement will explore ways we can better partner in the future attending organizations to expand the conversation of environmentalism to women in outdoor sporting and recreation.

Agenda:

11:00 - 11:02 Welcome and Meeting Purpose - Scott Fraser, EPA Office of Public Engagement

11:02 - 11:15 Introductions - Dru Ealons, Director, EPA Office of Public Engagement (moderator)

11:15 - 11:25 EPA policy discussion - Janet McCabe, Deputy Assistant Administrator, EPA Office of Air and Radiation

11:25 - 11:30 EPA program update - Benita Best-Wong, Deputy Office Director, Office of Wetlands, Oceans, and Watersheds

11:30 - 11:55 Roundtable discussion

11:55 - 12:00 Follow-up action items - Scott Fraser

Thanks again Sharon. I've been in discussions with Shoren Brown and his efforts to meet with Administrator Jackson during the Bristol Bay Sportsmen Summit in April. He is looking into some suggestions at TU and elsewhere for the roundtable as well.

Scott,
Sorry I have such a tight schedule sometimes. I will keep this in mind for any other women I may know.

Sharon,

I'm very sorry the timing has not worked out better for your attendance. I just got confirmation that the roundtable will be from 11:00 to noon EDT on the 29th. If by any chance your schedule changes, it would be great to have you join. Also, if you know of anyone else from TU's leadership, or any other outdoors organization, I will welcome the suggestion.

Thank you for your interest and safe travels,

Thank you for your participation Sharon, this is good news!

I will try and lock in 10 - 11 EDT to accommodate your schedule. I plan to confirm with an invite to all participants by COB today.

The leadership workshop you are teaching in CA sounds excellent and right on target with this roundtable discussion.

Best,

Hi Scott,

I would be happy to be on the call at 10am EDT for one hour only. I am flying out to California that same morning to teach a leadership workshop for California Trout Unlimited chapters and their state council.

Greetings Ms. Lance (and thank you Tom for the introduction),

In honor of Women's History Month, we have been asking several key women leaders to join in discussions with EPA leadership and staff during the month of March. I'm organizing a roundtable featuring Women in the Outdoors for next Thursday, March 29th and was wondering if you would be able to participate over the phone (I'm assuming of course, you won't already be in DC).

I'm currently locking in a time with several schedules, but have a start time window between 10 a.m. and 1 p.m. EDT for the one hour session on the 29th.

Janet McCabe, Deputy Assistant Administrator for the Office of Air and Radiation, will lead with a brief discussion regarding high-level policy decisions impacting the outdoors, such as EPA's Mercury and Air Toxics rule and wetlands preservation. Roundtable participants will exchange points of view and discuss what's important to them as a woman leader in the outdoors during the following moderated Q&A session.

I am excited about your potential involvement in our efforts to expand the conversation of environmentalism by engaging female leaders in outdoor sporting and recreation!

Sincerely,

Scott W. Fraser

No worries, and I am delighted you are interest. I don't have details, I was just scouting for EPA.
I have copied my friend Scott Fraser at EPA who can fill you in.
thanks and a big Howdy to Mark!

Howdy Sharon,
I am helping EPA with some outreach for roundtable event they are doing on March 28. Wanted to see if you might be interested in participating.

In an effort to expand the conversation of environmentalism, EPA is engaging female leaders in outdoor sporting and recreation organizations. Women in EPA senior leadership will lead with a brief discussion regarding high-level policy decisions impacting the outdoors, such as Mercury and Air Toxics wetlands preservation. Roundtable participants will exchange points of view during the following Q&A session. Organization leaders will be encouraged to support EPA's actions through their membership communication vehicles. EPA's Office of Public Engagement will follow-up by connecting roundtable participants with key EPA staff to assist in collaboration activities to promote awareness of the environment and the outdoors.

If would like to participate, let me know and I will connect you with the EPA folks.

Thanks!
